

## Judy Tutchen

Judy worked as an Enrolled Nurse at Grey Hospital for 39 years, retiring four years ago.

During this time she worked in many health settings.

Judy is a member of the local Cancer Team as a consumer and is also a member of the South Island Cancer Consumer Group.

Judy does voluntary work for the care group (community resources for the elderly) as well as meals on wheels. She is also on the committee of Grey Power; is passionate about health care on the West Coast and strives to get Coasters optimum care. With various long term health conditions, Judy requires GP and Hospital services frequently.
