RE Official Information Act request WCDHB 9123

I refer to your email dated 20 April 2018 to West Coast DHB and the Ministry of Health requesting the following information under the Official Information Act.

- 1. All costs associated with bringing Ministry of Health, West Coast Partnership Group and West Coast District Health Board representatives to Westport for the public meeting on health on April 5.**
- Please supply itemised costs (e.g. travel, accommodation, food, any overtime paid) for each representative.**

Note: We are responding specifically for the West Coast DHB representatives who attended the public meeting on health at Westport on 5 April 2017. The Ministry of Health are responding separately regarding Ministry of Health staff and West Coast Partnership Group attendees.

Please refer to **Appendix 1** (attached) for the details requested. We have provided you with the main costs incurred for the Canterbury DHB and West Coast DHB staff members attending the meeting. Please note: There may be further minor 'incidentals' that appear through the 'Charge Back System' we use but we don't hold that information at this time (declined under section 18(g) of the Official Information Act).

I trust that this satisfies your interest in this matter.

Please note that this response, or an edited version of this response, may be published on the West Coast DHB website.

Yours sincerely
