

# Free Patient Shuttles

## **RED CROSS**

**For patients who need to travel to or from Buller**

**Ring (03) 789-7659**

Ask for the Red Cross Transport Service.

Note: It's helpful to do this early in the day. Grey Hospital receptionists usually have an idea about when the shuttle has arrived and when it might be leaving, but ring the shuttle service first to make a booking.

Shuttle service runs Monday – Saturday

(Patient donations appreciated)
